Postgraduate Open Day, Friday 2 November 2018

School of the Physical Sciences Timetable

Transport to West Cambridge Site Departments and Faculties

Coach

A coach will be provided to transport attendees interested in visiting the following departments/faculties:

- Materials Science and Metallurgy
- Physics

The coach will depart from the **Queen's Road coach bay** at **2.30pm**. The Queen's Road coach bay is highlighted on the maps on the following page.

A return coach from West Cambridge Site departments/faculties to the centre of Cambridge will depart at 5.15pm.

Please be aware that due to seat capacity limits on the coach, priority is given to prospective applicants and seats will be filled on a first-come-first-served basis. Thank you in advance for your patience and co-operation.

Universal bus

The Universal bus service, subsidised by the University of Cambridge, and run by Whippet Coaches, runs frequently between the city centre and West Cambridge. Central Universal bus stops are located on Trumpington street, Silver street, and West Road. The average journey time between central Universal bus stops and the West Cambridge site is 10-15 minutes. We advise that you allow 30 minutes to travel from the centre of Cambridge to the West Cambridge site.
