

## College membership statistics for postgraduate courses

When you apply for a postgraduate course at the University of Cambridge, you can choose to select 2 College preferences. You can find out more about this process and College membership at [www.cam.ac.uk/pg-colleges/](http://www.cam.ac.uk/pg-colleges/).

This document shows the percentage of applicants who were made an offer to study at Cambridge and who were given membership by one of their preferred Colleges. The information has been separated into 2 tables, covering doctoral (e.g. PhD) and non-doctoral (e.g. Masters) offers.

Please note, admissions decisions for postgraduate courses are made by the academic departments. This is separate to the decision on College membership, which is made after you have been offered a place to study at Cambridge.
